

Attention!

- This item is meant for hobbyists 15 years of age or older. Please do not give this item to children under 15.
- This item is intended for use with the Zoukei-mura 1/32 "Henschel Hs 129".
- The polyethylene bags that contain the parts and assembly manual present a suffocation risk. Please do not drop the parts or bend them in unintended ways, as they may be damaged.
- In order to properly express the shape of the sculptures, it was unavoidable for some parts to have sharp edges. Please be careful.

1/32 Henschel
Hs 129
Turned Metal Machine Gun and Pitot Tube Set

4 519992 229430

1/32 "Hs 129" Assembly Instructions These parts will be inserted when assembling the 1/32 "Henschel Hs 129" kit.

MG 17 Barrel Attachment **1/32 Hs 129 B-2/Rlll Instruction Manual P.28**

*Page number may be different in the kits versions other than B-2/Rlll.

Cut **Q-4**

Hole's Position and Diameter. **1.0 mm**

1 MG 17 Barrel

After attaching "1 MG 17 Barrel" to part Q-4, follow the manual to attach.

Insert the "1 MG 17 Barrel" into the hole.

Important Points for Assembly

- Before opening the bag, please carefully read this instruction manual and verify that all the parts are included. Please also refer to the 1/32 "Henschel Hs 129" Instruction Manual to use these parts.
- You will need a pin vice with a 1.0mm drill bit to assemble these parts. Please see p. 6 of the kit's manual.
- This set replaces the machine gun and pitot tube plastic parts used in the Zoukei-Mura 1/32 Hs 129 B-1/B-2 with turned metal and resin parts. Please read these instructions as well as the kit's manual before assembling with your 1/32 Hs 129 kit.
- To affix the parts of the kit, please use instant glue. Please do not use glue dedicated to plastic models. Before painting, make a primer coat using the Metal Primer. (Without primer coat, paint may peel.)
- The recommended brand for painting your kit is the latest line of acrylic paint from Vallejo Color. Please refer to the Zoukei-mura 1/32 "Henschel Hs 129" Instruction Manual and Luftwaffe historical manuals to paint the model with the coloring of your choice.
- The fuselage weapon for Zoukei-Mura 1/32 Hs 129 B-1 and B-2 is the same. However, the underside weapon is different for Rlll and R8 of B-2. (Rlll used the MK 101, R8 uses the MK 103.)

※When it comes time to use tools and paints, please carefully follow the individual instructions respective to each tool for your safety.

Chart of Included Parts

- 1 MG 17 Barrel
- 2 MG 151 Barrel
- 3 MK 101 Muzzle Brake (Resin kit)
- 4 MK 101 Barrel
- 5 MK 103 Muzzle Brake (Resin kit)
- 6 MK 103 Barrel
- 7 Pitot Tube

Barrel and pitot tube are turned metal.

We take the utmost of care when overseeing manufacturing, but if your kit is among the very small percentage that contains a defective part, please contact customer service within two weeks of your purchase with your full name and order number.

Purchasers from VOLKS Japan International Web Site: Please contact imos@volks.co.jp.
Purchasers from VOLKS USA: Please contact service@volksusa.com.

MG 151 Barrel Attachment (Right) **1/32 Hs 129 B-2/Rlll Instruction Manual P.32**

*Page number may be different in the kits versions other than B-2/Rlll.

After opening a hole in Q-8, attach "2 MG 151 Barrel" instead of Q-5.

Q-8 **Q-6**

Hole's Position and Diameter. **1.0 mm**

Test-fit the parts to confirm where the hole should be opened.

Front View

Hole's Position

2 MG 151 Barrel Position

Make sure the molding in the barrel is facing straight up and down when attaching. (Note the direction.)

MK 101 Barrel Attachment **1/32 Hs 129 B-2/Rlll Only Instruction Manual P.43**

Attach parts R-5 and R-6 from the kit very securely. Then follow the instructions below before attaching "3 MK 101 Muzzle Brake" and "4 MK 101 Barrel." After attaching, follow the kit's manual.

R-6 **R-5**

Cut

Hole's Position and Diameter. **1.0 mm**

3 MK 101 Muzzle Brake (Resin kit)

4 MK 101 Barrel

Insert "4 MK 101 Barrel" into the hole to assemble. Attach "3 MK 101 Muzzle Brake" in the position shown.

Side View

(Left) Left side attaches in the same way. Please match the shapes of the parts before assembling. **1/32 Hs 129 B-2/Rlll Instruction Manual P.32**

Test-fit the parts to confirm where the hole should be opened.

Q-6 **Q-8**

Hole's Position and Diameter. **1.0 mm**

Front View

Hole's Position

Instead of part Q-5, attach the "2 MG 151 Barrel" from this set.

2 MG 151 Barrel Position

Make sure the molding in the barrel is facing straight up and down when attaching. (Note the direction.)

MK 103 Barrel Attachment **Hs 129 B-2/R8 Only**

Follow the instructions below for part S-2 then attach "6 MK 103 barrel". Instead of part S-16, attach the "5 MK 103 Barrel" from this set.

S-16 Not used. **S-2**

Cut

Hole's Position and Diameter. **1.0 mm**

Attach "5 MK 103 Muzzle Brake" in the position shown.

Insert "6 MK 103 Barrel" into the hole to assemble.

5 MK 103 Muzzle Brake (Resin kit)

6 MK 103 Barrel

Side View

Pitot Tube Attachment **1/32 Hs 129 B-2/Rlll Instruction Manual P.47**

Instead of part G-5, attach the "7 Pitot Tube" from this set.

7 Pitot Tube

You can attach the "7 Pitot Tube" from this set instead of the corresponding plastic parts G-5 of the kit.

Additionally affixing the separately sold "Interior Set" part will increase the stability and strength of the kit.
