ZOUKEI-MURA INC. PRESENTS SUPER WING SERIES[®] No.02
1/32 FOCKE-WULF Ta152H-1
Photo-Etched Landing Flap Set

◆◆Important Points for Assembly◆◆

- For use of this part, please refer to the Instruction Manual of the 1/32 "Ta 152 H-1" and prepare the required tools.
 - Please use nippers for etching parts when cutting off the etching parts. Tweezers may also be very useful when handling the parts you cut and attaching them to the kit. Also, to reproduce small details, please prepare a metal wire (e.g. brass wire) of 0.5mm diameter.
 - To affix the parts of the kit, please use instant glue. Please do not use glue dedicated to plastic models. Before painting, make a primer coat using the Metal Primer. (Without primer coat, paint may peel.)
 - The recommended brand for painting your kit is the latest line of acrylic paint from Vallejo Color. Please refer to the Zoukei-mura 1/32 "Ta 152 H-1" Instruction Manual and Luftwaffe historical manuals to paint the model with the coloring of your choice.
- ※Please carefully use the tools and solvents for assembly and painting by referring to their instruction manuals.

We take the utmost of care when overseeing manufacturing, but if your kit is among the very small percentage that contains a defective part, please contact customer service within two weeks of your purchase with your full name and order number.
