How to Assemble

1/32 A-1H

These are extra parts to be used with the Zoukei-mura 1/32 MD3 set.

Please assemble the MD3 as shown in the illustration below. All parts or bend them in unwise ways may have sharp edges. Please be careful to avoid carving too much. Air bubbles can be filled with a craft knife, files, sanding papers, instant glue, etc.

Please do not give this item to children unless they are supervised by an adult.

For the polyethylene bags that contain the parts and assembly risk, please do not drop them.

In order to properly express the Douglas A-1H Skyraider along with this item, the parts or bend them in unwise ways may have sharp edges. Please be careful to avoid carving too much. Air bubbles can be filled with a craft knife, files, sanding papers, instant glue, etc.

Please contact service@volksusa.com.

Please assemble the MD3 as shown in the illustration below. All parts or bend them in unwise ways may have sharp edges. Please be careful to avoid carving too much. Air bubbles can be filled with a craft knife, files, sanding papers, instant glue, etc.
