These parts should be installed while building the 1/32 P-51D Mustang kit. Please refer to the assembly manual for proper installation.

In order to properly express the aesthetic of the P-51D Mustang, it is important to take care during assembly. These parts are made of white metal and will need to be handled carefully. Please be careful not to damage the parts while you are working on them.

To use this item, tools such as nippers, craft knife, files, sanding papers, instant glue, metal primer spray, etc. are required, so please prepare them beforehand. Make sure that everything is included.

For assembly, we recommend using "Vallejo Colors," acrylic hobby paints for the new century. Please check the chart of included parts and refer to the U.S.AAF at that point and the assembly manual of 1/32 "P-51D" Mustang, and finish your Mustang in your preferred color scheme.

Please follow the individual instructions respective to each tool for your safety. Please do not give this item to children under 14 years of age.

Attention! These are extra parts to be used with the P-51D Mustang kit. Please also refer to the kit assembly manual.

Purchasers from VOLKS Japan please contact service@volks.co.jp.
Purchasers from VOLKS USA: Please contact imos@volks.co.jp.
International Web Site: Please contact service@volksusa.com.

We take the utmost of care when overseeing manufacturing, but if your kit is among the very small percentage that contains a defective part, please contact customer service within two weeks of your purchase with your full name and order number.

Purchasers from VOLKS USA: Please contact service@volksusa.com.
Purchasers from VOLKS Japan: Please contact imos@volks.co.jp.

Metal Struts

These are extra parts to be included with the 1/32 NORTH AMERICAN P-51D Mustang kit. Please refer to the kit assembly manual for instructions. They may be damaged. Do not drop the parts or bend them in unintended ways, as this was unavoidable for some older parts.

Please do not give this item to children under 14 years of age. Please do not give this item to children under 14 years of age.

Rear Landing Gear Strut

When building the 1/32 "P-51D," please install the completed rear landing gear strut in place of part D-26, as shown below.

Rear Landing Gear Shaft

These two parts, when inserted into the Rear Landing Gear Strut, will be able to change the shape of the sculpts, it is recommended to scrape them with a knife and remove any excess with a craft knife. Then, finish with sanding papers. It may damage the blades if you use a fine nippers, so please be careful.

For the seam lines, scrape them after sanding with sanding papers, instant glue, metal primer spray, etc. are required, so please prepare them beforehand.

Please be careful not to damage the parts while you are working on them. Off with a knife and then finish with sanding papers. Please be careful not to damage the parts while you are working on them.

Please be careful not to damage the parts while you are working on them.
