### Important Notes When Assembling

- Please read the manual thoroughly before assembling.
- Check the part numbers carefully, and then cut them cleanly from the sprue. Throw away any leftover waste.
- When using any cutting implements, tools, paints or glue while treating the parts, be sure to read each item's handling instructions and use the item correctly.
- Due to the nature of the modeling, it is inevitable that there are sharp parts included. Please take care with these during assembly.
- Tools and other necessary items can be purchased from Volks Showrooms, via the Volks Website Store, or your local hobby store.

### Please Note

- When assembling please be absolutely certain to read the following.
- This product is suitable for persons 15 years and over. Please be sure not to give this product to children under the age of 15.
  - Be sure to fully read and understanding the "Assembly Instructions" before you begin assembly.
  - This kit contains small parts. Please be careful that small children do not accidentally swallow them as it may cause choking.
  - In order to faithfully reproduce the design of the original aircraft, this kit includes some pointed and/or sharp pieces. Please be careful when using as they may cause unexpected injuries. If you have small children in your household, store them in a place out of children's reach, and do not give them to children.
  - The parts and instruction manual come in a plastic bag. Do not put this over your head or cover your face with it as this may cause suffocation.
  - This product is a precision made item. Forcing it unreasonably, bending it, or dropping it may cause damage.

### Vallejo Color List

The recommended brand for painting your kit is the latest line of paint from Vallejo Color, due to its non-toxicity and environmental friendliness. The "SWPS01-CD1 Kettenkrad Color Set" especially developed for this kit is available separately. We highly recommend its use.
