

▲WARNING: Read Carefully

- For ages 15 and up.
- Read all instructions before use. Only use as instructed.
- Contains small and sharp parts. Do not swallow and be careful of injury.
- Keep out of reach of small children.
- Plastic bags may cause suffocation. Do not use them to cover your head or face.
- This product is delicate. To avoid breakage, do not forcibly bend, drop, or apply too much pressure.
- The outer packaging may be damaged during transportation.
- Keep the instructions. Please contact our Customer Service Center if you have any questions or concerns.

- This assembly kit is made of white metal.
- Assembly requires nippers, precision knives, super glue, and paint.

◆◆Important Points for Assembly◆◆

- Before opening the bag, please carefully read this instruction manual and verify that all the parts are included. Please also refer to the ZOUKEI-MURA SWS 1/32 "Bf 109" instruction manual to use these parts.
- To build this kit, a big pincher, a cutting knife, sandpaper, waterproof sandpaper, instant glue, and Metal Primer spray are required. Please make sure they are at hand before starting your work.
- This kit is made with metal. Parts are remodeled. After cutting with the large pincher the "gate" made during production, scrape the flash with sandpaper and polish the surface using waterproof sandpaper. Because the blade of nippers might break up, please use caution. After roughly sharpening the "parting lines" with the cutting knife and the sandpaper, clean up and polish the surface with waterproof sandpaper. Be careful not to damage the parts.
- To affix the parts of the kit, please use instant glue. Please do not use glue dedicated to plastic models.
- Before painting, make a primer coat using the Metal Primer. (Without primer coat, paint may peel.)
- The recommended brand for painting your kit is the environment-friendly latest line of paint from Vallejo Color. Please refer to the ZOUKEI-MURA SWS 1/32 "Fw 190" Instruction Manual and Luftwaffe historical manuals to paint the model with the coloring of your choice.

※Please carefully use the tools and the solvents used for assembly and painting by referring to their instruction manuals.
