

Attention!

- This item is meant for hobbyists 15 years of age or older. Please do not give this item to children under 15.
- This item is intended for use with the Zoukei-mura 1/48 "Horten Ho 229".
- The polyethylene bags that contain the parts and assembly manual present a suffocation risk. Please do not drop the parts or bend them in unintended ways, as they may be damaged.
- In order to properly express the shape of the sculptures, it was unavoidable for some parts to have sharp edges. Please be careful.

Turned Metal Machine Gun and Pitot Tube Set

◆◆Important Points for Assembly◆◆

- Please carefully read the assembly manual prior to opening and make sure that all the parts are included. Please also check the Instruction Manual of the Zoukei-mura 1/48 "Horten Ho 229" when you use these parts.
- To use this item, tools such as ●snippers, ●craft knife, ●files, ●sanding papers, ●instant glue, ●pin vice and drill (1mm diameter), ●metal primer spray etc. are required. Please prepare them before starting your work.
- When assembling this set, please cut off and replace the MK 103 cannon's (parts D-1 and D-7) barrel of the 1/48 "Horten Ho 229" by the "Gun Barrels" (turned brass) and the "Muzzle Brakes" (resin) parts. Replace and assemble the Pitot tube (part C-26). Please check carefully the process of the work.
- Please use instant glue for cementing these parts. Please note that these parts cannot be glued with plastic model kit cement.
- Before painting the parts, please spray a coat of metal primer (otherwise, the paint may peel as time passes).
- The recommended brand for painting your kit is the latest line of paint from Vallejo Color. Please refer to the Zoukei-mura 1/48 "Horten Ho 229" Instruction Manual and Luftwaffe historical manuals to paint the model with the coloring of your choice.
- ※ Before using tools and paints, please carefully read their instructions manuals and use them safely.

Chart of Included Parts

We take the utmost of care when overseeing manufacturing, but if your kit is among the very small percentage that contains a defective part, please contact customer service within two weeks of your purchase with your full name and order number.

1/48 "Horten Ho 229" Assembly Instructions

These parts will be inserted when assembling the 1/48 "Horten Ho 229" kit. Please refer to the instruction manual of the "Horten Ho 229".

◆ Gun Barrels and Muzzle Brakes Attachment

Before assembling your 1/48 "Horten Ho 229", cut off the barrel of the MK 103 cannon (parts D-1, D-7), and attach the "Gun Barrels" and "Muzzle Brakes" from this set.

Please proceed after carefully checking the parts to be cut off.

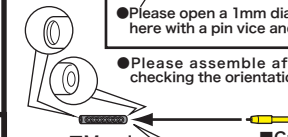

① Process

② Assembly

- Please open a 1mm diameter hole here with a pin vice and a drill.
- Please assemble after carefully checking the orientation of the parts.

Muzzle Brake (Resin)

Gun Barrel (Metal)

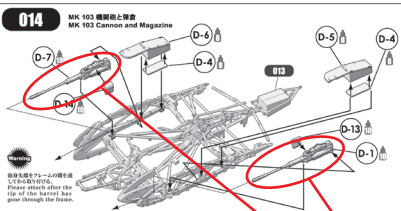

● Attach horizontally.

③ Attachment

- After assembling, attach the parts to the kit. Please be careful to the attachment position.

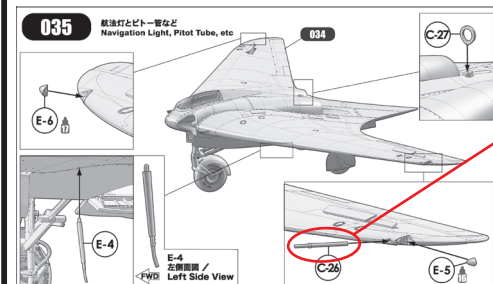

1/48 Horten Ho 229
Instruction Manual
p.9

Attach parts D-1 and D-7, which have been fixed to the "Gun Barrels" and "Muzzle Brakes" of this set, to the kit.

◆ Pitot Tube Attachment

When assembling your 1/48 "Horten Ho 229", please replace parts C-26 by the "Pitot Tube" of this kit and attach.

Pitot Tube (Metal)

Replace by the Pitot tube (metal).
